

RIMON LAW

Law Firm Evolved.com

Rimon is a highly selective entrepreneurial firm that combines the dynamic client service, teamwork and agility of a high-end boutique law firm with the deep multidisciplinary experience of a large global firm. Our clients consistently receive exceptional representation across our 17 locations, from our all-star team of corporate, litigation, tax, intellectual property, and private client attorneys.

★ All-Star Team

Rimon's attorneys were meticulously drawn from the top ranks of premier law firms, international corporations, and academia. They hold JDs, PhDs, LL.Ms, and MBAs from the best universities in the United States and abroad. They have worked on multi-billion dollar deals and have argued (and won) in front of the Supreme Court of the United States. Their team approach, experience and education ensure our clients receive effective and comprehensive counsel.

🌐 Spherical organization structure

Rimon follows a spherical model rather than the traditional pyramid. Our partners are free to work as an efficient team to best serve our clients, rather than dealing with hierarchy, bureaucracy, or firm politics.

Sample of Representative Clients

Rimon's clients range from cutting edge technology startups to financial institutions and Fortune 500 companies. A small sample of clients we have represented include the following, with hundreds more available upon request:

Each client receives the full attention of our highly experienced, multidisciplinary team of professionals.
